Dear Larry,

Happy New Year.

You should have received my response to your December 2, 2015 letter via email on December 21, 2015. Please let me know if you did not receive it. I would be happy to arrange a call to discuss your concerns further.

I also want to inform you that I will be sending a letter to the Kozaks sometime this week regarding their Federal responsibilities at the Tower Standard site. Among other things, the letter lays out requirements for sharing data and other information with USEPA and the Lac Du Flambeau Tribe. Once the letter is finalized and sent I will forward a copy to you.

Sincerely,

Margaret
